## CSE DEPARTMENT

### LOGIC DESIGN AND MICROPROCESSOR LAB

#### LD/MP Lab Schedule and TA Assignment (summer 2003)

1. The following boxed hours are when TAs are available, but you may use the lab any time.
2. Any TA in the lab should be able to help and grade for any student from any section in both Logic Design and Microcomputer from both campuses, Boca and Davie.
3. Hours in light shade are for Boca's Lab. Hours in black are for Davie's lab.
4. TA's start attending the lab from the 2<sup>nd</sup> week of classes to the last day before the Reading Day.
